8th February

Dear Parents/Carers,

As you may know, we have an onsite Speech and Language therapist working within the school. They are working on developing the students' speech, language and communication skills within class.

Please let us know whether you **would not** like the Speech and Language therapist to work with your child.

Our Speech and Language Therapist is also available for consultations to discuss your child's communication skills. If you would like to book in for a meeting, please email ogibson@thespeechclinic.co.uk or contact the school office and ask to speak to Oriana Gibson.

Best wishes,

Aron Bradley
Headteacher
