Dear parent/carer,

I am delighted to share that, thanks to the generosity of our school community and the success of recent fundraising efforts, we have built up a healthy balance in our school's private fund.

To ensure this money is used in a way that benefits all pupils, we are proposing to invest in new sensory equipment to create an immersive sensory room on site. This space would offer a calming and stimulating environment tailored to the diverse needs of our pupils.

If you have any concerns or objections to this proposal, please submit them in writing by **Friday 7th November 2025**.

Any concerns will subsequently be discussed by the Governing body for a decision to be made as to whether we proceed with the purchase.

Thank you for your continued support.

Best wishes,

Aron Bradley
