Dear Parent/Carer,

I am writing to follow up on the recent consultation regarding the new ALN school in Clydach. Although not all parents/carers were able to attend the meeting, we want to ensure that everyone living within the catchment area is fully informed.

As explained during the consultation process, the Local Authority is currently working on setting a provisional budget for the new school. To support this planning, it would be very helpful for us to understand how many parents/carers intend to take up the option of moving their child in 2026.

If you intend to move your child to the new school, please inform the Local Authority via email by Friday, 30<sup>th</sup> January 2026: [schooladmissions@rctcbc.gov.uk](mailto:schooladmissions@rctcbc.gov.uk)

Please note, only families who are currently residing within the catchment area of the new school are being offered the opportunity to move their child to the new school from September 2026.

To help you learn more about the provision, please find below two resources that provide further information about the new school:

- [Clydach Prospectus](#) – an overview of what the new school will offer
- [Clydach Flythrough](#) – a visual walkthrough of the new school building

Your response will assist the Local Authority in planning resources effectively and ensuring the best possible provision for pupils.

If you have any questions, please do not hesitate to get in touch.

Best wishes,

Aron Bradley
