AUTUMN 2025 EDITION

Message from Mr Bradley:-

As we come to the end of a busy and inspiring term, I am delighted to share and celebrate some of the many successes across our school community. It has been a period of growth, collaboration, and creativity, and I could not be prouder of our pupils, staff, and families for all they have contributed.

One of our greatest achievements has been the establishment and development of our Early Years Centre at Tonyrefail. In just a short time, this vibrant new setting has become a nurturing and engaging environment where our youngest learners are already thriving. The centre is growing steadily, and the excitement surrounding it reflects the hard work and dedication of everyone involved.

We have also made significant strides in developing integration opportunities with local mainstream schools. These partnerships have allowed our pupils to learn, work, and play alongside their peers, strengthening confidence, social skills, and a shared sense of community. It has been heart-warming to see these friendships blossom.

This term we were proud to host several inter-school sporting events, giving pupils the chance to showcase their talents, teamwork, and resilience. The energy and enthusiasm on display at each event were truly uplifting.

Of course, no autumn term would be complete without our annual Christmas concerts. Across all key stages, pupils delivered performances filled with joy, creativity, and festive spirit—memories that will be cherished by all who attended.

Finally, we are excited about the development of our new immersive room, which is currently underway. This cutting-edge space will offer our pupils outstanding, interactive learning opportunities for years to come.

Thank you all for your continued support. I wish you a restful and joyful holiday season.

AUTUMN AT TONYREFAIL EYC

Our First Full term at TEYC Theme: Can I Switch It On?

In September 25 we welcomed another 8 children to Tonyrefail Early Years Centre. We were then able to open up another class which meant that Miss Cleo Jones could come down to us in the role of HLTA. This term we worked on the theme of Can I Switch It On? This theme meant that we all made robots for our home task and we were able to display them in our school corridor. We worked on several mini themes including French week, Harvest week, Halloween and Bonfire Night too.

Parent Workshops

Our parents started to visit us every Tuesday morning for our SENSE sessions with Miss Lucy Jenkins. Our parents have come every week, and we have enjoyed having them visiting us too. These sessions have been so successful and so well attended too that Lucy Jenkins is continuing to come to us every Tuesday from January to July. The SENSE Programme has been organised as follows:
Autumn Term: Sensory Exploration
Spring Term: Sensory Stories
Summer Term: TACPAC

CHRISTMAS AT TONYREFAIL EYC

Our First Christmas at TEYC

Our first Christmas at Tonyrefail Early Years Centre has been a real treat for us all. Our children took part in their first Christmas concert where the production was appropriately titled "The Wiggly Nativity" All our staff sang and signed Makaton throughout the concert and our children used both dancing wands and percussion throughout. The parents joined in with a confetti throw and a Christmas dance too.

This concert was our first opportunity to thank the many people that helped us to both set up TEYC and help us to keep it running every day. We were able to thank Paul our caretaker plus Sian and Debs our dinner staff. We particularly thanked Mr. Bradley for setting the school up from scratch enabling us to reach full capacity in 19 weeks. A remarkable achievement. Mrs. Mellor would like to thank everyone for being such a great Early Years team.

Autumn term in Foundation Phase

Can I Switch It On?

This term, the Foundation Phase pupils have thoroughly enjoyed exploring the exciting topic *Can I Switch It On?* Each week, they engaged with a different text as part of their literacy learning, sparking curiosity and discussion. Through these stories, pupils discovered how things work, explored different forms of transport, and even delved into the fascinating world of robots. The topic has provided plenty of opportunities for hands-on learning and imaginative exploration, making it a memorable and engaging experience for all.

New Initiatives in the Foundation Phase

This year, pupils have enjoyed integrating with other schools in the catchment, taking part in interactive play opportunities that helped them build friendships and develop social skills. They also welcomed visitors into school to watch their *Messy Maths* sessions, showcasing how learning can be fun, practical, and engaging. Through *Fun With Food*, pupils explored a variety of new tastes and textures, encouraging them to try different foods while learning about healthy and unhealthy choices in an enjoyable way.

Autumn term in Foundation Phase

Forest School

The pupils have absolutely loved their Forest School sessions this term, where they've had the chance to immerse themselves in the outdoor classroom. These sessions have provided wonderful opportunities for imaginative role play, creative outdoor crafts, and hands-on exploration of the natural world. From building dens to discovering wildlife, the children have thrived in this environment, developing curiosity, teamwork, and a deeper appreciation for nature while enjoying every moment of their learning outdoors.

Immersive Room

Dosbarth Enfys are delighted with the completion of the school's brand-new Immersive Room, an exciting addition that has already sparked great anticipation among the pupils. They are eager to begin exploring the space in the new year, where imaginative and immersive experiences will bring their learning topics vividly to life. Having thoroughly enjoyed their visits to the Merthyr site, the children are now looking forward to engaging with a wide variety of themes and topics within their own school. This marks a truly inspiring step forward in their learning journey, offering endless opportunities for creativity, exploration, and discovery.

Christmas in Foundation Phase

Knock Knock the Nativity!

This year's Christmas concert, *Knock Knock – The Nativity*, was a wonderful celebration that the pupils thoroughly enjoyed. They loved dressing up in their costumes and performing a variety of festive songs in the school hall, enhanced by creative backdrops and staging that brought the story to life. The highlight for many was the chance to share their performance with their families, who were warmly welcomed to watch and celebrate the pupils' hard work and enthusiasm.

Christmas Trips

The Foundation Phase pupils have thoroughly enjoyed a series of festive celebrations/events that brought joy and excitement to their learning. They delighted in visiting Santa, sharing magical moments that sparked wonder and smiles all around. Parents were warmly welcomed into classrooms, where they experienced how pupils use a total communication approach through engaging festive songs and creative crafts—an experience that was both meaningful and heartwarming. To round off the festivities, the entire phase visited Fuze Soft Play, where children had endless fun in the ball pit and on the slides, while also relishing the chance to interact and build friendships with peers from other classes.

AUTUMN IN KEY STAGE 2

Key Stage 2 participating in the interactive story with Looby Lous!

This Autumn Term has been an exciting and action-packed journey for our Key Stage, filled with creativity, exploration, and hands-on learning. Our topic, *Robot Rampage*, has captured pupils' imaginations and given them the opportunity to dive into the fascinating world of robots, machines, and materials in a variety of fun and engaging ways.

To begin our learning, we explored what robots are, how they are used, and the different purposes they can have in the real world. Pupils researched a wide range of robots, comparing their designs, their materials, and the jobs they are built to do. This naturally led us into investigating materials more closely. We looked at the properties of metal, plastic, card, and other everyday materials, discussing why some are better suited for constructing machines than others.

Alongside this, we deepened our understanding of recycling, thinking about how we can reuse and repurpose materials to protect the environment. This knowledge became especially useful when pupils were challenged to take on their *Home-School Robot Project*.

Using recycled items and their imaginations, the children designed and created their own robots, each one unique and brilliantly inventive. The enthusiasm and pride they showed in their work made this a real highlight of the term.

We were also fortunate to welcome visitors who helped bring our topic to life even further. TechnoCamps joined us for an exciting workshop where pupils used LEGO to explore how different machines work. They experimented with building mechanisms, investigating how movement can be created and controlled. This hands-on experience not only strengthened pupils' understanding of robotics but also encouraged teamwork, problem-solving, and resilience. Another memorable visit came from Looby Lou's, who delivered a wonderfully interactive storytelling session linked to robots. The children were fully immersed in the story, joining in with actions, characters, and imaginative scenes that brought our topic to life in a magical way.

As we look ahead to next term, we are excited to continue building on the skills we have developed this term. Pupils should keep an eye out for our Enterprise Project, which promises to be another fantastic opportunity for creativity, teamwork, and independent thinking.

Key Stage 2 pupils enjoyed participating in the Panathlon Challenge Ten Pin Bowling Competition at the Red Dragon Centre in Cardiff Bay.

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

CHRISTMAS IN KEY STAGE 2

Class 9 had so much fun playing at The Play Yard.

This year's Christmas Concert, The Greatest Snowman, was a magical and heart-warming performance.

The story followed a lost snowman on an exciting journey to find where they truly belonged. Along the way, they met helpful elves, rocking reindeers, cheerful snowmen, and of course, the wonderful children of Ysgol Hen Felin who brought the adventure to life on stage.

Pupils thoroughly enjoyed learning the songs, practising their lines, and rehearsing together to create a fantastic show. Their enthusiasm, hard work, and confidence shone through, making this year's concert a joyful celebration for everyone who watched.

This term has been filled with festive excitement, especially during our wonderful Christmas trip to The Play Yard. Pupils enjoyed a magical day beginning with delicious reindeer pancakes, which set the tone for all the fun to come. They had plenty of time to explore the soft play area, climbing, sliding, and laughing with their friends.

One of the highlights was visiting Santa himself, where each child had the chance to share their Christmas wishes and receive a small, gift to take home.

Back at school, we have been very busy preparing for the Christmas Fete. Pupils worked hard to create special items for our Christmas Eve boxes, showing great creativity and teamwork. Alongside this, we have completed lots of festive crafts, from decorations to cards, helping everyone get into the Christmas spirit. Overall, it has been a joyful and creative term, filled with excitement, celebration, and plenty of holiday cheer.

Class 10 loved their visit to Santa at The Play Yard.

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

AUTUMN TERM IN KEY STAGE 3

This term we've thoroughly enjoyed accessing the brand-new forest schools' area. We've been working in groups to develop new skills and enjoy the outdoors. The new forest schools' cabin has been a great addition to our outdoor area, and we look forward to visiting each week to find out what's in store. Each class in Key stage 3 has their own timetabled slot and we share our new skills across the key stage between pupils and staff. We can't wait for more sessions next term.

OUR TOPIC - MIGHTY METALS

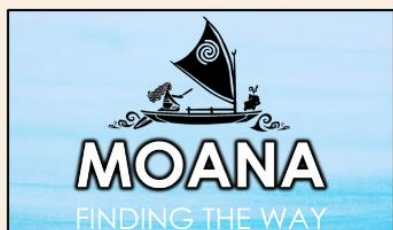

This term all classes in Key Stage 3 have thoroughly enjoyed exploring all elements of our topic 'Mighty Metals.' Throughout the term, pupils have had opportunities to get involved with practical tasks, experiments and use problem solving skills and team building skills to find solutions to problems. Pupils have particularly enjoyed using AI technology in classes to design and make their own robotic creations. These will be used for a special collaborative project with Key stage 2 next term, so check back soon for more information!

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

CHRISTMAS IN KEY STAGE 3

This year's senior production was 'Moana - Finding the Way' and Key Stage 3 pupils worked together with the 14-19 department to create this year's Christmas showcase. Each class was responsible for designing and making their own props, scenery and digital media. Pupils chose their own costumes and rehearsed and performed their class songs as part of this year's senior production. A big thank you to the staff and pupils for their hard work, and to the families who came to support us during show week!

THIS YEAR'S CHRISTMAS EVENTS

This year, Key Stage 3 have enjoyed lots of opportunities to get into the festive spirit this term! We've enjoyed preparing crafts to sell for our Christmas fete and are looking forward to our upcoming end of term visits to the trampoline park and to The Lion, Treorchy for Christmas lunch.

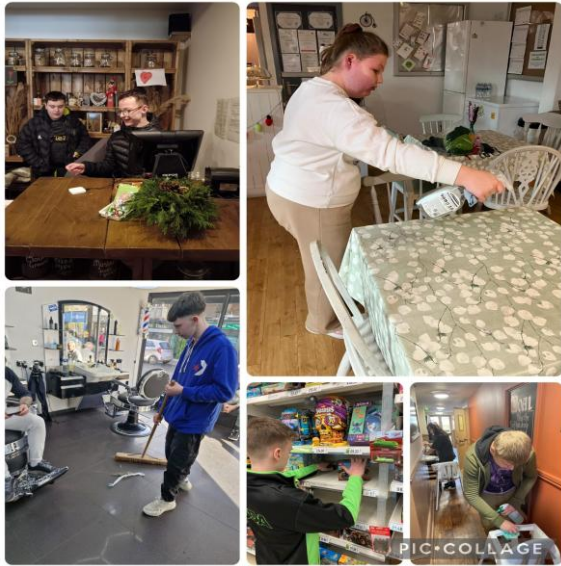

We have had lots of fun decorating different areas of the school with Christmas decorations and even had a visit from Santa in our special school grotto!

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

AUTUMN TERM IN 14-19

Our 14–19 pupils have made an excellent start to the new academic year and are working extremely hard across all areas. Our College classes, Class 15 and Class 17 have begun exciting new work experience placements in a variety of industries, providing them with valuable real-world exposure and skills development. Meanwhile, pupils in Dosbarth Seren, Dosbarth Glas, and Class 17 have launched their enterprise projects, which include running a tuck shop, managing Asda order deliveries, and selling a wide range of food items to staff and pupils. These projects are helping pupils build confidence, teamwork, and entrepreneurial skills.

OUR HEAD PUPILS

We are proud to announce the appointment of our new Pupil Leadership Team. After a thorough interview process led by our School Council, we have successfully appointed a Head Boy, Deputy Head Boy, and two Prefects. Each candidate impressed with outstanding communication skills and thoughtful ideas for their roles. They demonstrated a clear commitment to representing pupil voice and promoting positive values across the school. This team will play an important role in supporting their peers and contributing to school life. We are confident they will make a positive impact throughout the year.

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

CHRISTMAS IN 14-19

This year's secondary production, 'Moana – Finding the Way', brought together Key Stage 3 pupils and the 14–19 department to create a fantastic Christmas showcase. Each class took responsibility for designing and making their own props, scenery, and digital media. Pupils also selected their own costumes and rehearsed their class songs, which they performed as part of the production. A huge thank you to all the staff and pupils for their incredible hard work, and to the families who came to support us during show week! We would also like to extend a special thank you to the Coleg y Cymoedd Carpentry team for supporting our pupils in designing and creating the amazing props that helped bring the show to life.

THIS YEAR'S CHRISTMAS EVENTS

The 14–19 department has been getting into the festive spirit with a range of exciting Christmas activities! Dosbarth Seren enjoyed a magical trip to the Toy Mine, exploring the wonders of Christmas gifts and traditions, while Dosbarth Glas tucked into a delicious festive meal at the carvery. Our other classes are also joining in the celebrations, with lots of seasonal visits and experiences planned throughout the week to make this Christmas truly special for everyone.

YSGOL HEN FELIN FOREST SCHOOLS

We are excited to share that Ysgol Hen Felin now has a fantastic Forest School area, led by our dedicated Forest School Coordinator, Mr. Craig Miles. This outdoor learning space has quickly become a favourite for pupils across the school, offering opportunities to explore nature, build confidence, and develop new skills in a fun and engaging environment. The provision has been a wonderful addition, ensuring that every child can access hands-on experiences that support their learning and well-being.

Each week, pupils at Ysgol Hen Felin visit our Forest School area to enjoy a variety of exciting, hands-on activities. Younger pupils love exploring nature through outdoor play, including the mud kitchen and water wall, as well as taking part in scavenger hunts. They also get creative with nature-inspired arts and crafts and learn through literacy and numeracy-based tasks in the fresh air. As pupils progress, they experience den building, fire safety sessions, and teamwork challenges. For our older learners in the college provision, Forest School offers opportunities to develop practical skills such as woodwork. This unique provision helps every pupil connect with nature, build confidence, and learn new skills in a fun and engaging way.

Check out photographs and videos of us hard at work over this term via our school X page. You can find us by scanning this code...

SPORTING EVENTS THIS TERM

This term has been full of sporting activities. Pupils from key stage 2 enjoyed a fantastic day at Cardiff Bay, taking part in a ten-pin bowling competition that was both fun and competitive. It was a wonderful opportunity for pupils to develop confidence, teamwork, and social skills in an inclusive sporting environment.

Ysgol Hen Felin's Special School Sports Network has had an outstanding first term, successfully hosting two major inclusive sporting events. The Swimming Gala brought together six special schools, providing pupils with an opportunity to showcase their skills in a supportive and encouraging atmosphere.

Later in the term, the Football Tournament welcomed twelve schools, creating a vibrant setting of teamwork, sportsmanship, and fun. Both events were highly praised by staff and families for promoting confidence, physical activity, and social interaction among pupils. Building on this success, next term we are excited to host two new events—a Basketball tournament and a Golf activity—further expanding opportunities for pupils to engage in diverse and inclusive sports.

GET TO KNOW OUR STAFF!

Cleo Jones
(HLTA)
TEYC

1. What made you want to work at Tonyrefail EYC?

I was really drawn to the idea of working in the newly established early years provision because it felt like an exciting opportunity to be part of something fresh and innovative. It also gave me the chance to enhance my skills and grow into my newly qualified HLTA position. I wanted to contribute to creating a nurturing environment for young learners and help shape the foundation of this fantastic setting.

2. What was your favourite subject when you were in school?

My favourite subject was Welsh. I've always been fascinated by my Welsh heritage and culture, and studying the language allowed me to feel more connected to my roots. It was a subject that gave me pride and a sense of identity, and I enjoyed learning about the history and traditions that come with it.

3. Do you have any hobbies or fun things you like to do outside of school?

In my spare time, I absolutely love baking! It's something that helps me relax and be creative. Around this time of year, I especially enjoy making festive treats like cookies and mince pies—it's a great way to get into the Christmas spirit and share something homemade with family and friends.

4. What's your favourite snack or treat?

I have a real sweet tooth, so anything chocolatey is a winner for me! Crunchy bites and Biscoff Dairy Milk are definitely at the top of my list. I love trying new chocolate treats too.

5. If you could swap jobs with anyone in the school for one day, who would it be?

If I could swap jobs for a day, I would love to experience the role of the Wellbeing Officer. I really enjoy working with parents and supporting families, so stepping into that position would give me a chance to see how they help pupils and parents on a deeper level. It would be a great learning experience and an opportunity to understand more about the pastoral side of school life.

Kirsty Harris
(Class teacher)
FP

1. What made you want to work at our school?

After visiting the school, I was struck by what a lovely environment and ethos it had. It felt welcoming and supportive, and I could see how much care goes into creating a positive experience for every pupil. I was also looking for a new challenge in my teaching career, and I'm so glad I made the decision to join—I already feel part of something special.

2. What was your favorite subject when you were in school?

My favourite subject was Music—I've always loved how creative and expressive it is. I also really enjoyed Maths because I like solving problems and finding solutions.

3. Do you have any hobbies or fun things you like to do outside of school?

I love singing and musicals! I'm part of a choir taught by my old college lecturer, and it's made up of 15 people she taught over the years. It's a great way to stay connected and keep learning. I also teach a male voice choir—a fantastic group of men who love to sing and enjoy the social side as much as the challenge of learning new songs.

4. What's your favorite snack or treat?

I love crisps—pretty much all kinds! But if I had to choose, my favourites are probably Sensations.

5. If you could swap jobs with anyone in the school for one day, who would it be?

I would choose Laura Deans, in the Wellbeing Centre. I really enjoy interacting and working with parents to support them, so I think I would love the opportunity to run the workshops in the Wellbeing Centre and help facilitate training events. It sounds like a rewarding role that makes a big difference for families.

Amy Sprague
(Class teacher)
KS2

1. What made you want to work at our school?

I was drawn to Ysgol Hen Felin for its reputation of valuing every learner. My experience as an ALNCO confirmed my passion for supporting pupils with additional needs, and I wanted to keep growing in a school known for its warmth, dedication, and supportive community.

2. What was your favourite subject in school?

Maths—it gave me a real love of problem-solving and the satisfaction of making sense of challenges.

3. Do you have any hobbies or fun things you like to do outside of school?

I enjoy time with my children, Amelie and Finn—whether at the cinema or with a good book. I also play rounders now and again, though mostly for the laughs!

4. What's your favourite snack or treat?

Anything sweet—chocolate or ice cream are my go-to.

5. If you could swap jobs with anyone in the school for one day, who would it be?

Honestly, I'd love to try working in a sweet shop or ice cream parlour—my sweet tooth would be in heaven!

GET TO KNOW OUR STAFF!

Lauren Davey
(Teaching Assistant)
KS3

1. What made you want to work at our school?

I have experience with additional needs with my brother. I love the opportunities the school provides for the pupils. They have access to much and seem really happy. I wanted to be a part of helping them reach their full potential.

2. What was your favourite subject when you were in school?

Art, I loved any opportunity to be creative. I particularly love drawing and painting.

3. Do you have any hobbies or fun things you like to do outside of school?

I lead a gymnastics class that I absolutely love. I really enjoy watching my pupils progress and seeing the same enjoyment in them that I felt when I did gymnastics as a child. I also started my own small business where I sell my crochet clothing items that I make myself. I like to try new crafts.

4. What's your favourite snack or treat?

I love anything chocolate especially galaxy cookie crumble.

5. If you could swap jobs with anyone in the school for one day, who would it be?

I would love to swap with Ciaran as I love keeping fit and especially jumping on the trampoline.

Justin Dowd
(Class teacher)
14-19

1. What made you want to work at our school?

I'd heard so many great things about Ysgol Hen Felin and the amazing work being done with the pupils. I also wanted to find a school closer to home, so when I saw the advert, I knew I had to go for it! I'm so glad I did because now I get to work with such wonderful pupils and staff every day.

2. What was your favourite subject when you were in school?

I think my favourite subject was history because I loved learning about the past. I also really enjoyed PE – I've always been sporty, and football was my absolute favourite.

3. Do you have any hobbies or fun things you like to do outside of school?

I'm really into fitness, so I go to the gym every morning near my home. I also love reading – crime books are my favourite! On holidays, one of my favourite things is going crab hunting with my daughters – it's something I used to do with my dad when I was a kid, so it's a lovely tradition to keep going.

4. What's your favourite snack or treat?

My favourite crisps are definitely popped BBQ flavour. For sweets, it has to be marshmallows – I could eat them all day! And when it comes to chocolate, anything mint-flavoured is a winner for me.

5. If you could swap jobs with anyone in the school for one day, who would it be?

I think I'd love to swap with Mr James Bailey – he always looks so happy and seems to have a great job! Bouncing on the trampoline all day like Ciaran would be fun too, or maybe Simon in the pool... although I'm not the best swimmer, so that might be a challenge!

NEW YEAR, NEW ROLES AT YSGOL HEN FELIN!

As we step into the new year, Ysgol Hen Felin is excited to celebrate staff members beginning new roles within our school community. These changes reflect the dedication and passion of our team, as colleagues take on fresh challenges and responsibilities to support our pupils. Whether moving into leadership positions, joining specialist departments, or bringing their talents to new areas of the school, each role highlights our commitment to nurturing every learner. We wish all staff the very best as they embark on these new chapters—together, we look forward to another year of growth, collaboration, and success.

Nigel Hendy
Head of school

We are delighted to announce that Mr Hendy will be stepping into his new role as Head of School in January. Having served as Deputy Head with dedication and vision, Mr Hendy has been a driving force in supporting both staff and pupils, helping to shape the caring and ambitious ethos we are so proud of at Ysgol Hen Felin. His commitment to ensuring every learner thrives has been evident throughout his time here, and he has built a brilliant relationship with families, working closely with them to strengthen the school community. We are excited to see him lead the school forward with the same passion, energy, and unwavering focus on our pupils and their families.

Robert Hemming
Assistant Head

This January, we are thrilled to share that Mr Hemming has taken on the role of Assistant Head Teacher. Having previously led Key Stage 2 with great dedication, Mr Hemming's journey through the school has been nothing short of inspiring—starting out as a Teaching Assistant and now stepping into senior leadership. His progression is a real achievement and a testament to his hard work, commitment, and passion for supporting pupils and staff alike. We are proud to see him continue to make such a positive impact on our school community in this new role.
